Sir/Madam,

At the outset I wish you all a very happy festive time for Puja, Dusshera and Diwali celebrations with your respective families and extended families of your staff in the Forest Directorate. It is a celebration time but there is no pause in the duties of a Forester' in the line of protection and conservation of our vast natural resources, for which all of us are committed.

In view of the above, it is advised that at every unit of this Directorate, viz., Divisions, Ranges, Beats etc., preparations should be made in advance for providing protection to our natural resources and forests. In pursuance of the same it is advised that during the long gazetted holidays, adequate preparations and delegation of duties among the staff must be done in advance so that no untoward incident takes place in anyway. The precautionary steps and allotment of duties for protection should be well circulated for ease of implementation.

Wishing you all a very happy festive time ahead again, the undersigned expects that protection and other duties would be executed along with celebrations. This may be treated as Top Priority and for immediate compliance and Circle incharge would further report compliance of their respective Divisional Units.

Yours Sincerely,

  
(N.K. Pandey, IFS)
