O.O. No. : 18-Misc/es/2019 **OFFICE ORDER**

date: 28.02.2019

West Bengal Forest Directorate has been taking up afforestation all over the state under different schemes and models. To provide inventory of the information of plantations online, for office purposes as well as for general public, development of a suitable module was under consideration of the directorate.

Now, accordingly, an online module " WEST BENGAL FOREST DIRECTORATE – PLANTATION DETAILS" is developed which is accessible from the Forest Directorate website www.westbengalforest.gov.in under "For Offices" as well as under "Citizen Corner".

Once finalization of plantation targets for the financial year for each division is done, the data is uploaded on to the module by the head office. Against the targets indicated, the concerned Divisional Forest Officer will update the actual achievement and site details. The consolidated data, thus provided, will be available both for the H.O. and also for the citizens. The detailed operational manual for DFO user is attached herewith.

In future, site is proposed to be linked to "e-Plantation Journal". The data for the plantation of 2018 has been uploaded and subsequently uploading for the previous years starting from 2010 will be completed.

The site access details for the Divisional Forest Officers will be intimated separately. All Divisional Forest Officers are required to upload the information as early as possible.

CCF, MIS will be the Nodal Officer for the module. Further, any technical issues faced with the module may please be sorted out by discussing with Ms Tania Paul (Mobile No.8240504696) and it should necessarily be followed by an email specific to the point indicating the problem so that the developer can be notified for correction of the same immediately.

(N-K Pandey, IFS)

Principal Chief Conservator of Forests,
Head of Forest Force, West Bengal

No.11670 /CS/ 2M-32/2016(Part II)

dt. 28/02/2019

Copy forwarded for information and necessary action to:

1. The Principal Chief Conservator of Forests, Wildlife & CWLW West Bengal
